

# Chuck Missler & Council for National Policy Warning

Chuck Missler's extensive background & ties to big government/corporations are totally verified and irrefutable as he lists these ties on his own Curriculum Vitae at: [http://www.swansat.com/about\\_us\\_cmissler.htm](http://www.swansat.com/about_us_cmissler.htm) See below for a copy of his CV. I highlighted some of the pertinent areas proving these ties. It is my contention that there is no way for you to get to this level (and have the kind of ultra high level contacts/clearance that Missler has) unless you are one of them. I base this off over 15 years of research in this area. Big Brother takes care of his own but outsiders are not welcome, and especially an outsider who would claim to be a born again Christian. Also he has made no attempt to distance himself from these high level projects once he was supposedly saved. I would consider much of what Missler has been self admittedly (see below) involved in, as black government projects with top secret clearance. He appears to be proud of his accomplishments/ties to global government, **as if he was not why would he list them on his CV. This is the same global government that is preparing to enslave all humanity and kill those off they do not deem fit to live.** One of the primary ways "they" are going to do this is via global positioning/tracking of the global populace to which Mr. Missler has played a key role in bringing this technology to the masses (See below). His current project seeks to "meld" all avenues of communications together via a "high-power geosynchronous telecommunications constellation" AKA satellites. This melding of technologies are going to play a key role in the New World Order's ability to track everything we say and do while building a network in which the average person will be totally imprisoned in. Mr. Missler has proudly positioned himself right in the middle of this Satanic system & has done so for decades.

## Dr. Charles W. "Chuck" Missler *Curriculum Vitae*

*Dr. Charles W. "Chuck" Missler is a special advisor to the **SWANSAT™** project.*

### What is SWANSAT?

*The advent of digital CODECing technologies and ubiquitous acceptance of the Internet have gradually but **inevitably melded together the broadcast, telecommunications, and computer networking industries so thoroughly and completely through the common medium of digital transmission protocols that the boundaries that once separated these disciplines have been erased. Cost for deployment of fourteen SWANSAT spacecraft will be about EUR€12 billion in 2007 euros.***

*Sooner or later it was bound to happen—skyrocketing convergent technologies are leading to a seamless integration of information accessibility. A single, coherent, world-wide Super-Wide Area Network™ is on its way! So welcome to **SWANSAT™**—welcome to the future of information interchange. Click on the links below to read what **SWANSAT™** is all about.*

- ▶ **1. Executive Summary of the SWANSAT™ System**
- ▶ **2. Hybrid System of Satellite Communications Technology**

**SWANSat: The Super-Wide Area Network Satellite**

**“People Serving People”**

**SWANSat's satellite services will begin in 2014.**

The SWANsat Project will place a constellation of three high-powered satellites into operation: One spacecraft will serve Europe, Africa, the Middle East, and western Asia. One spacecraft will serve North, Central, and South America. One spacecraft will serve central and east Asia, Australia, New Zealand, and the central Pacific. When operated together, all three spacecraft will provide coverage of the entire globe, except for polar areas.” –

“As we have demonstrated elsewhere participation in the SWANSAT System and its *Shareware Telecommunications* model can be facilitated not only by **the World Bank, the International Monetary Fund**, by other international financing consortia, but **participation by the international Islamic banking community is fully consistent with Islamic law and can be welcomed in partnership with the SWANSAT System**. For example, **the Islamic Development Banks might assist Islamic nations to better their economies by functioning as a form of *mudārabah* (a Sharīa-honored passive partnership)...**”

Ramifications of the SWANsat *Shareware Telecommunications*™ model are significant, indeed:

□ By 2015, SWANSAT and Tier 1 countries would be well on their way to placing 370 million eligible students living in developing countries in school **through United Nations e-schools and e-community programs, thus achieving one of the more important of the United Nations *Millennium Development Goals***.

SWANSAT will provide two-way broadband ICT services to residents of least developed countries (LDC's) and developing countries (DC's), utilizing its *Shareware Telecommunications*™ economic model **to meet**

***sustainable development*** and ***wide open access*** goals of the UN Economic and Social Council's *ECOSOC 2000 Ministerial Declaration* in ***full consistency with many UN Millennium Development Goals***.

### Dr. Chuck Missler, SWANsat and the Auric™ Currency

Posted by: Deborah (Discerning the World) | On this date: February 17th, 2010 |

I am writing this article because I do not think that Dr. Chuck Missler is being at all honest with us as to what he really believes and who he 'works' for. For some unknown reason Chuck Missler is 'protected' in that he seems to be able to get away with all sorts of false prophecy and publishing books on 'extra biblical' occult subjects with no one battering an eyelid.

His resumé (freely available on the internet) is profound in that Chuck's interests, companies and world plans all seem to tie in with what he himself tries to expose as bad in his books.

Chuck Missler is not an expert on prophecy, he is helping to orchestrate Biblical prophecy by aiding and abetting the One World Order. I will let you review the below information and you can ask

yourself the question; *“Why is a born again Christian ‘serving the people’ by connecting the world via 3 satellites and helping to establish the African Union with a One World Currency?”*

Dr. Charles W. Missler  
Koinonia House  
PO Box D  
Coeur d'Alene, ID 83816-2530 USA

USA Telephone: +800-KHOUSE-1  
Email: [chuck@swansat.com](mailto:chuck@swansat.com)

During the past 30 years, Chuck has served on the Board of Directors of over a dozen public companies, and was Chairman and Chief Executive Officer of five of them. Chuck Missler received a Congressional appointment to the United States Naval Academy in Annapolis, Maryland. Upon graduating with honors, he received his commission in the U.S. Air Force. By the time he completed his military obligations, he had become **Branch Chief of the Department of Guided Missiles at Lowry Air Force Base**. Chuck completed a Masters Degree in engineering at UCLA with additional post-graduate studies in applied mathematics, advanced statistics and information sciences, and completed his PhD at Louisiana Baptist University. His civilian career began as a systems engineer at TRW, followed by a Senior Analyst position in a *“think tank”* serving both the intelligence community and the Department of Defense. A think tank (or policy institute) is an organization that conducts research and engages in advocacy in areas such as social policy, political strategy, economy, science or technology issues, industrial or business policies, or military advice.

Recruited by the Ford Motor Company into a Senior Management position, Chuck established the first international industrial computer network in 1966. Leaving Ford to start his own company, he founded a computer networking organization later acquired by Automatic Data Processing (NYSE) to become its Network Services Division. He subsequently served as a consultant to the **Board of Directors of Rockwell International for corporate acquisitions** (which included Collins Radio, American Data Systems, and others); and has also participated in over 100 business ventures as a principal, strategic advisor, or turnaround specialist.

**Note--Rockwell International:**

**A multifaceted company that worked in the manufacturing arena for defense and space industries. Rockwell International are Freemason/Illuminati. Rockwell International is also the maker of the Minuteman nuclear missile. To get an idea how evil and tied in with the Illuminati Rockwell International is see: Rockwell International Gouging the Government by Tom Ruwitch ...**

**[www.multinationalmonitor.org/hyper/issues/1990/03/ruwitch.html](http://www.multinationalmonitor.org/hyper/issues/1990/03/ruwitch.html)**

**The building that was originally built for Rockwell International was designed in the shape of a Ziggurat; a stepped pyramid in the style of ancient Babylonia.**

*However they did not occupy the building and it became the regional branch office of the federal government, housing some National Archives material and other miscellaneous government documents.*

### Ziggurat

*An ancient Mesopotamian temple tower consisting of a lofty pyramidal structure built in successive stages with outside staircases and a shrine at the top. [1] Form of temple common to the Sumerians, Babylonians and Assyrians. [2]*

*The Bohemian Grove is basically a playground and policy-making vacation for the CFR, interlocking Think Tanks, and Tax-exempt Foundations. "The CFR and Bohemian Club membership lists reflect a lot of the same names," stated Hanson. "By recent comparison, I was able to count about 40 Bohemians who are also CFR members." He added, "If you're a member of the Trilateral Commission or the Council on Foreign Relations, chances are you're a member of the Bohemian Club, too."*

*In attendance are representatives of companies such as: Atlantic Richfield, Avery Dennison Corporation, Colgate-Palmolive, CBS Broadcasting, IBM, Universal/Vivendi Entertainment Group, Mattel Incorporated, Media General Incorporated, Northrop Corporation, Philip Morris, Pacific Enterprises, **Rockwell International**, etc..... Missler claims that he became a Christian prior to his becoming a man. Fine. But if that was so, then all of his activities as a man were as a Christian. As a young man, Missler found deep interest with early computer technology, and went on to found (1966) the "first international industrial computer network."

Wasn't that field the realm of the US military, wherein Illuminati organizations were at that very time forcing the tide of computers and the internet? Men engaged with Stanford elements, the U.S. military, U.S. Intelligence, and the leading edge of the computer/internet industry, if in high-enough levels, are very

possibly dealing on a personal level with global-minded Illuminatis. If they rise through the ranks unusually fast, they could be Illuminatis themselves.

To that end, we find that Missler entered the U.S. military by a Congressional appointment and therefore abandoned his career plans at Stanford University. He then became Branch Chief of the Department of Guided Missiles. Could a good Christian get that far? Would a good Christian go that far? Is it God's will for a disciple of Jesus to help a nation create missiles?

Missler then left the military, not necessarily meaning that he didn't continue working for it. From his own website we read, "[Missler] then went on to serve as a senior analyst with a non-profit think tank where he conducted projects for the intelligence community and the Department of Defense" (<http://www.khouse.org/misslers.html>).

There's no name given for the think tank nor the organization that it operated under, but as it was connected to the Department of Defense, Stanford comes to mind. But there were other possibilities, the Illuminatis organization, the JASON Group, for example, or JASON's owner, Mitre Corporation. Or what about DARPA, that Department-of-Defense agency that, for one of its recent spy organizations, used the Illuminati all-seeing eye in its logo? After all, "In 1973, the U.S. Defense Advanced Research Projects Agency (DARPA) initiated a research program to investigate techniques and technologies for...the 'Internet.'"

**Comment:** The occult *Phoenix Bird* that has its root in Ancient mythology. It actually symbolized the New Age concept of being born-again. While Christians are born again when Jesus Christ comes into their heart, the New Ager is born-again with a different demon spirit. The Antichrist will also be a born-again individual when he is possessed with Lucifer himself. High level occultist and ranking Freemason Manly P. Hall, in his book entitled, *The Secret Destiny of America*, 1958, p. 176-177 wrote:

"All symbols have their origin in something tangible, and the Phoenix is one sign of the secret orders of the ancient world, and of the initiate of those orders, for it was common to refer to one who had been accepted into temples as a man twice-born, or reborn. Wisdom confers a new life, and those who become wise are born again."

**PHOENIX BIRD TO BE LUCIFER**

**Note what a former witch had to say regarding the occult belief in the Phoenix Bird. "The Phoenix.. is believed to be a divine bird going back to Egypt.. This Phoenix destroys itself in flames and then rises from the ashes. Most occultists believe that the Phoenix is a symbol of Lucifer who was cast down in flames and who they think will one day rise triumphant. This, of course, also relates to the rising Hiram Abiff, the Masonic 'christ.' [Source: Dr. C. Burns, *Masonic and Occult Symbols Illustrated*, p. 123]**

### **Technical Projects**

*Dr. Missler has served as a consultant, principal, or a director, participating in over 100 high technology investments, acquisitions, or divestitures over his 30 year career. Some specific projects have included:*

*System Engineer, Subsystem 1 of the SAMOS Program (**highly classified reconnaissance satellite program**); **principal contributor to major developments in the gathering of ELINT (electronic intelligence) information via satellite.***

*While on the staff of an **Air Force think-tank**, participated in the programming of one of the first solid-state command/control computers (AN/FSQ-27) exploiting error-correcting coding.*

*Chief Systems Engineer for arms control simulations for the early negotiations for U.S. Arms Control And Disarmament Agency (USACADA) in the Geneva negotiations;*

*Optical processing of digital information with laser memories (as President of Precision Instrument Company); early exploitation of Fourier Transforms in search and retrieval of optically stored digital information for the National Security Agency at Fort Meade;*

*Application of advanced statistical coding methods for highly sensitive industrial applications, including adaptive filtering and exponential smoothing models.*

**Many Evangelical, Pentecostal, Charismatic, Catholic, Mormon and other ecumenically-minded leaders are members of the Council for National Policy, the 500+ (varies per year) member organization which some suggest plans the strategy of the Religious Right and conservatives in the United States.**

*John 10: 26-30: "But ye believe not, because ye are not of my sheep, as I said unto you. My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand. I and my Father are one."*

*2Cr 6:14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? 2Cr 6:15 And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? 2Cr 6:16 And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in [them]; and I will be their God, and they shall be my people. 2Cr 6:17 Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean [thing]; and I will receive you, 2Cr 6:18 And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.*

*Amos 3:3 " Can two walk together, except they be agreed?"*

*The CNP, according to their 1996 Telephone Directory, was founded in 1981. While those involved are from the United States, their organizations and influence cover the globe, both religiously and politically. Members include corporate executives, television evangelists, legislators, former military or high ranking government officers, leaders of 'think tanks' dedicated to molding society and those who many view as Christian leadership. Members in many cases are owners or leaders from industry such as lumber, oil, mining, commodities, real estate, the media, including owners of radio, television and print, with all aspects of life covered. Many are involved in education, determining to influence society's direction by direct input with children and youth. **Many advocate from the arena of right wing politics, conservatives, family friendly, reconstructionists, dominionists, and so on.***

***CNP members are found in Christian organizations encompassing James Dobson's Focus on the Family, Bill Bright's Campus Crusade for Christ and it's many branches, Robert Weiner's Maranatha shepherding group, Gideons, Youth for Christ, World Vision, Wycliffe Bible Translators, Billy Graham Evangelical Assoc., Intercessors for America, International Charismatic Bible Ministries, National Evangelical Assoc., National Religious Broadcasters Assoc., Promise Keepers and many more. The potential spiritual impact of this organization, which claims educational status, could be unparalleled.***

*While many involved in the CNP have denied political activity in their respective organizations, the role of the CNP appears to be that of a policy and funding conduit for the Religious Right projects, both political and religious. Others would suggest they are merely a conservative group of individuals who get together to share ideas, network and hear "exciting speakers." Many non-Christians and deceived Christians would view many involved as representative of born-again Christians. However, one of the intents of the CNP seems to be that of appearing to be a mouthpiece of true Believers, which cannot be. Many are simply not Christian and others would make a claim, rather, to being conservative, holding 'traditional values' and family orientated.*

*In-depth biographies of **CNP** founders and past/present officers and some members reveal that many are or have been directly affiliated with, or part of, such organizations as the **Knights of Malta, the Council on Foreign Relations, the Unification Church of Sun Myung Moon, the Church of Scientology, Freemasonry, the CIA, Nazis, the Church Universal & Triumphant, the Ku Klux Klan, Templeton Foundation, Racists and other cults and organizations.***

*It needs to be understood that some individuals belong to or are affiliated with the above by choice or by error. It clearly does not mean all CNP members are or were involved in specific groups or beliefs, or that there was/is knowledge of those backgrounds. It means that individuals have been members of the CNP and they have come from a **very wide range of beliefs and activities, which collide with those who claim to belong to Jesus Christ. That is the perspective with which this writer analyses the research, but, the documented research stands regardless of what bias the reader has.***

*The CNP members have made claims to desire to be an alternate to the Council on Foreign Relations (CFR), yet, we find **that there are members of the CFR within the membership of the CNP.***

*...Background: According to one source, the CNP was formed in 1981 by Texas millionaires Nelson Bunker Hunt, Herbert Hunt, and T. Cullen Davis.(5) A second source reports that it was formed by Richard Viguerie to rival the Council on Foreign Relations.(8,26) The council is composed of politically powerful, wealthy individuals. It intentionally maintains a very low profile.(3,5) One of the conditions of membership is not to reveal the names of other members or the substance of the group's meetings.(9) **The CNP bills itself as being the Council on Foreign Policy for the Right....**The meetings are closed and attendees rarely speak publicly about the proceedings. The agenda of a meeting at the Broadmoor in Colorado Springs in 1982 was filled with CNP members talking to the "already committed" about their favorite topics--**Phyllis Schlafly on traditional values, Maj. Gen. John Singlaub on special operations in El Salvador, Gen. Albion Knight on national defense, and so on.(35) The list of speakers includes most of the major figures of the Right including: Philip Truluck of the Heritage Foundation; Howard Phillips of the Conservative Caucus; beer baron Joseph Coors; conservative columnist Patrick Buchanan; Frank Shakespeare, chairman of Heritage Foundation; direct mail wizard Richard Viguerie; Jerry Falwell of the Moral Majority; the president of Amway Corp, Richard DeVos; Neal Blair, president of Free the Eagle; John (Terry) Dolan, chairman of the National Conservative Political Action Committee, Jeane Kirkpatrick, U.S. delegate to the United Nations; and from the Christian Broadcasting Network, evangelist Pat Robertson.(35) ..." 1***

*From the Unofficial Council for National Policy web site, which is no longer available, What members say about CNP:*

*I was a charter member of the Council for National Policy, and it is a great organization. It has all the best people in it.*

— **Phyllis Schlafly, Eagle Forum**

*It isn't often in life that reality is better than the dream. That's the way it is with the Council for National Policy.*

— **The Rev. Tim LaHaye**, CNP co-founder and first president

*There are very few organizations left that say 'yes, we believe.' And, we're out to implement that policy in every way we can. We need those people out there who are considering linking hands and arms with us in this battle. I do hope they'll join us.*

— **Jim Dobson**, Focus on the Family

*I think the Youth Council for National Policy has been a critical part...because what it has allowed us to do is to sit at the feet of our elders and to learn from them.*

— **Ralph Reed**, Christian Coalition

*In 1981, Woody Jenkins, the CNP's first executive director, told Newsweek bluntly, "One day before the end of this century, the Council will be so influential that no president, regardless of party or philosophy, will be able to ignore us or our concerns or shut us out of the highest levels of government." 3 That there have been many political leaders involved as members and as invited speakers, cannot be disputed. From President George Bush to now Prime Minister Stephen Harper--who was not prime minister of Canada yet when he spoke at the June 1997 Montreal meeting of the CNP.*

*Is the reconstructionist/dominionist agenda, permeating many beliefs of the CNP membership, of establishing Christ's kingdom on earth, a Biblically valid goal for Christians?*

*John 18:36 "Jesus answered, My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence."*

*Hebrews 13:13-14 "Let us go forth therefore unto him without the camp, bearing his reproach. For here have we no continuing city, **but we seek one to come.**"*

*While it is true that many CNP members and others are saying that the End times are here, conversely the Last Day[s] are discussed in the Scriptures in a way that would suggest that those in control of government will be enemies of Christ? Revelation 17:12-14; Revelation 13:4-8*

*Scripture reminds of the mind set and spirituality of those in the Last Days--which totally ignored by many CNP members.*

*Luke 17:26 And as it was in the days of Noe, so shall it be also in the days of the Son of man. Luk 17:27 They did eat, they drank, they married wives, they were given in marriage, until the day that Noe entered into the ark, and the flood came, and destroyed them all. Luk 17:28 Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; Luk 17:29 But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed [them] all. Luk 17:30 Even thus shall it be in the day when the Son of man is revealed.*

*2 Timothy 3:-5 " This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away." Revelation 9:20; Revelation 13:13-16; Revelation 20:4*

*2 Thes. 2:1 ¶ Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and [by] our gathering together unto him, 2Th 2:2 That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. 2Th 2:3 Let no man deceive you by any means: for [that day shall not come], **except there come a falling away first, and that man of sin be revealed, the son of perdition;** 2Th 2:4 Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. 2Th 2:5 Remember ye not, that, when I was yet with you, I told you these things? 2Th 2:6 And now ye know what withholdeth that he might be revealed in his time. 2Th 2:7 For the mystery of iniquity doth already work: only he who now letteth [will let], until he be taken out of the way. 2Th 2:8 **And then shall that Wicked be revealed,** whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: 2Th 2:9 [Even him], whose coming is after the working of **Satan with all power and signs and lying wonders,** 2Th 2:10 **And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.** 2Th 2:11 **And for this cause God shall send them strong delusion, that they should believe a lie:** 2Th 2:12 **That they all might be damned who believed not the truth, but had pleasure in unrighteousness.** 2Th 2:13 ¶ But we are bound to give thanks alway to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth: 2Th 2:14 Whereunto he called you by our gospel, to the obtaining of the glory of our Lord Jesus Christ. 2Th 2:15 Therefore, brethren, stand fast, and hold the traditions which ye have been taught, whether by word, or our epistle. 2Th 2:16 Now our Lord Jesus Christ himself, and God, even our Father, which hath loved us, and hath given [us] everlasting consolation and good hope through grace, 2Th 2:17 Comfort your hearts, and stablish you in every good word and work.*

- Gave **false prophecy of Y2K** where 2 videos were released by Chuck Missler and John Ankerberg with advertising title: **"The Coming Y2K Computer Crisis Will threaten Anyone Whose Faith is Not in God!"**. This 'false prophecy' is very peculiar considering his unbelievable resume regarding anything computer orientated. Why would someone who is a genius in the computing field say such a stupid thing.

**Dr. Charles 'Chuck' Missler:** (Information below in no particular order)

- Chuck and Nancy Missler established [Koinonia House](#) in 1973. **Chuck Missler also has close ties with Chuck Smith and Calvary Chapel** (where he preached) which was founded by The Jesus People. In the 1970s, while still in the corporate world, Chuck began leading weekly Bible **studies at the 30,000-member Calvary Chapel** Costa Mesa, in California. He and Nancy established Koinonia House in 1973.
- “Chuck had enjoyed a longtime, personal relationship with [Hal Lindsey](#), who upon hearing of Chuck's professional misfortune, convinced him that he could easily succeed as an independent author and speaker. Over the years, Chuck had developed a loyal following. (Through Doug Wetmore, head of the tape ministry of Firefighters for Christ, Chuck learned that over 7 million copies of his taped Bible studies were scattered throughout the world.) Koinonia House then became Chuck's full-time profession.

Close friend to Hal Lindsey (broadcasts shows on Trinity Broadcasting Network, TBN) Hal Lindsey who had a show on TBN for years had his show removed by TBN in December 2005 because of his criticism against Islam. As of Feb 2007 he was back on TBN hosting his show, “The Hal Lindsey Report”. — <http://www.religionnewsblog.com/17439/hal-lindsey>

Pat Matrisciana is a director of Chuck Missler's Koinonia House as documented on page 5 of Koinonia House Inc. 2007 IRS Form 990-PF. Pat Matrisciana is president of Jeremiah Films, chairman of Citizens for Honest Government, and an admitted agent for the CIA which masterminded the Jesus Revolution in which Matrisciana played a major role. As a CIA operative, Matrisciana also founded Campus Crusade for Christ with Bill Bright.

**Not so long ago Chuck Missler was at the:**  
**God's News Behind the News International Prophecy Conference 2000 –**  
**Orlando Florida, 5-8 April 2000**

**The prophets were:** Jack and Rexella Van Impe, Morris Cerullo, Hal Lindsey, Grant Jeffrey, Perry Stone, John Bevere, Ray Brubaker, Joe Van Koevering, Zola Levitt, Chuck Missler, J.R.Church, Gary Kah, and Bill Cloud.

**The Quantum Leap II Conference – July 19-21 2007**

- **Hosted by:** The Gateway Christian Fellowship with speakers from The Elijah List, etc:
  - David van Koevering (The Elijah List, New Age Occultist) – As a visionary, his gift is the insight to see, and by this observation to cause, and then define and communicate what he saw to others.
  - Chuck Missler (Chuck was encouraged by his close friend Hal Lindsey to pursue his long-time love of teaching the Bible on a full-time basis. Hal Lindsey regular on TBN.)
    - JoAnn McFatter (The Elijah List- New Age Occultist),
  - Steve Swanson – Worship and Arts Director of Extreme Prophetic run by Patricia King (both The Elijah List- New Age Occultists).
- **Previous speakers at Quantum Leap I Conference included:** Kansas City Prophet Bob Jones along with Mike and Kari Browning.

**‘Quantum Leap’**

is a popular new age idea of man’s spiritual evolution from human to divine.

“Barbara Marx Hubbard” wrote apologist Brooks Alexander, “has a similar event that she calls a planetary Pentecost. She explains to us that at this time, a ‘quantum leap’ in the evolution of mankind will occur as revealed to her by ‘the Christ’: ‘At the moment of cosmic contact, I will appear to you both through inner experience and through external communication on your mass media.’ Hubbard says, at this time when ‘the divisions of the religions would be over...We would each know that God is within us...If all who feel we are connected to each other, to nature and to God join in a planetary Pentecost, we shall be transformed in this lifetime.’ (Barbara Marx Hubbard and the Armageddon Alternative,” SCP Journal, Vol. 19:2/3, 1995, p. 49).”

**Jackie Alnor from Apostasy Alert** tried to contact Chuck Missler on why he attend this conference but did not receive a reply from him. <http://www.apostasyalert.org/REFLECTIONS/quantum.htm>

**Chuck Missler of Koinonia House sponsored: The Malta Expedition - 2004, ‘Exclusive Archaeological Cruise Event’ .**

Tourists sailed to the islands of Patmos, Malta and Crete with excursions to Ephesus and Athens, where they visited the Acropolis, Parthenon and Mars Hill. Two days were spent on the island of Malta, where the tour **visited the Palace of the Grand Master of the Knights of Malta!**

At Valetta the tour will also visit an **ancient Tarxien temple**. ‘Tarxien’ means ‘huge stone’ which describes those used for the numerous **prehistoric temples on Malta**. The World Monuments Fund is trying to help protect these temples. In **Lady of the Beasts: The Goddess and Her Sacred Animals, Buffie Johnson informs that Malta was renown for its temples and monuments to the Mother Goddess**

Day 7 - Tuesday, April 6

Early arrival on **Malta**. Visit Valletta - A World Heritage Site, **Grand Master's of the Knights of Malta Palace** (War Room), Paul's Cave, Paul's Shipwrecked Church, the fishing villages and an **ancient Tarxien temple**. *Note: Excavation of the Tarxien Temple site reveals that it was used **extensively for rituals, which probably involved animal sacrifice**. Especially interesting is that Tarxien provides rare insight into how the megaliths were constructed: stone rollers were left outside the South temple. Additionally, evidence of **cremation** has been found at the center of the South temple, which is an indicator that the site was reused as a **Bronze Age cremation cemetery**. Within the Temple complex the famous "fat lady" statue (a representation of a **Mother Goddess** or a **fertility charm**) are also present.*

Valletta, the capital of Malta, has 320 monuments making it one of the most concentrated historic areas in the world and one of UNESCO's World Heritage Sites. At Valetta the tour will also visit an ancient Tarxien temple. 'Tarxien' means 'huge stone' which describes those used for the numerous prehistoric temples on Malta. The World Monuments Fund is trying to help protect these temples. **In *Lady of the Beasts: The Goddess and Her Sacred Animals*, Buffie Johnson informs that Malta was renown for its temples and monuments to the Mother Goddess:**

*"Even in the monument strewn islands of the Mediterranean, the spiritual singularity of the goddess temples of Malta is conspicuous. Built with monumental boulders... these temples were designed in a unique apsidal arrangement resembling the clover leaf form of the goddess herself. They contained altars, fonts, ovens for baking sacred bread, and many goddess figures; the remains of one are nearly six feet in height. A visit to the monuments there reveals convincing evidence of goddess worship."* (141:68)

The stated purpose of the Malta Expedition was to view the newly-discovered 'lost anchors' of Paul's second missionary journey. The discoverer of the 'lost anchors of Paul' is Robert Cornuke, president of the [Bible Archaeology Search and Exploration Institute](#) (BASE). Cornuke's books are offered by the ministries of Chuck Missler and J.R. Church, as well as many other so-called Christian ministries.

**There is no evidence** that Cornuke, whose organization co-sponsors the Malta cruise, has discovered these anchors but this does not deter the promoters from publishing their speculations as facts.

The Misslers' excursion appears to have been a pretext for promoting ancient centers of occult activity as historic Christian sites.

## MISSLER'S HOUSE SALAD SHOULD BE TOSSED

I just got Chuck Missler's newsletter in the mail today and have seen enough. **Issue after issue, interview after interview (at the mic of CNP'er, John Ankerberg), Missler keeps on expounding "progressive" "new paradigm" thinking, as espoused in Aquarian sources, such as Marilyn Ferguson. The August issue of his Personal Update has Missler promoting the new age physicist, David Bohm, in an article titled, Is Our Reality Only Virtual? According to Missler, Bohm is the hottest thing since sliced geometry:**

**"There also seems to be evidence to suggest that our world...consists of...projections from a level of reality so beyond our own that the real reality is literally beyond both space and time. The main architect of this astonishing idea includes one of the world's most eminent thinkers...David Bohm, a protégé of Einstein's and one of the world's most respected quantum physicists."**

That whole idea of an illusory material world is very well known to new agers like Marilyn Ferguson as the Eastern doctrine of MAYA. In the context of the mystical musings of neuroscientist, Karl Pribram, Ferguson introduces David Bohm to her readers as a western pioneer of this foundational weapon in the new age arsenal:

**"Suddenly he blurted out, "Maybe the world is a hologram!"...if the nature of reality is itself holographic, and the brain operates holographically, then the world is indeed, as the eastern religions have said, maya: a magic show. Its concreteness is an illusion..."**

His son mentioned that David Bohm, a protégé of Einstein, had been thinking along similar lines. A few days later, Pribram read copies of Bohm's key papers urging a new order in physics. Pribram was electrified. Bohm was describing a holographic universe.

But what Missler is so excited about is not limited to Bohm on the nature of matter, but indeed a whole litany of mystical doctrines and new age psychobabble.

Surprisingly, Missler doesn't stop there, but tacitly substantiates other long-forbidden occult phenomena :

"The holographic model has also opened the door to a wide range of phenomena so elusive that they have been characterized outside the province of scientific understanding: telepathy, precognition, mystical feelings, psychokinesis, etc..."

Note well here, that Missler, the watch dog, is not exposing the leaven of new age pseudo-science, but is rather promoting and enjoining it, as if the Bible validates it.

But it doesn't stop there. Chaos theory, the trump card of the Aquarian movement, poses the possibility of scientific validation to the entire paradigm shift. Again, Missler goes right along with this "progressive" mindset: "The study of ostensibly random effects has emerged in the field of mathematics called chaos theory."

Chaos math is the evolutionist's answer to creationist arguments against Darwinian theory of gradual variation and change. Creationists have argued for the impossibility of evolution, on the basis of ordered statistics, which are predictable and verifiable. The chances of life evolving incrementally are so stupendously thin that the very notion becomes ridiculous beyond the wildest imagination. Chaos comes along and makes statistics and probability irrelevant, which is precisely why the mathematician, played by Jeff Goldblum, in the evolutionary celebration, Jurassic Park, was a continual advocate of chaos theory and punctuation saying "Life will always find a way."

Unfortunately, Missler has already switched teams and is teasing us that the waters of Aquarius are just fine : "Even the ambiguous comfort of true randomness within the physical world has now been called into question by the new math of chaos theory."

New Age champion Marilyn Ferguson, in her overt attempts to catalyze a great paradigm shift. Her interpretation of Bohm's conclusions are almost identical to Missler's. Her argument implies that the Bible is fundamentally compatible with such occult arcana and that the Christian world need not shrink back from the waters of her conspiracy. Missler's positive educational approach effectively serves to nudge Christians right into that same current : "It is amazing...that the Word of God presents a view of reality that is not at variance with these contemporary insights of quantum physics."
