PROGRAM OF GOD

[Old Testament](#): Solomon was concerned that God would judge the sins of Israel with pestilence.

[Tribulation](#): God will torment with locusts those who do not have His seal in their foreheads.

[Great Tribulation](#): God will torment with grievous sores those who have taken the Mark of the Beast; the two witnesses will send judgments on the world, some in the form of diseases.

PROGRAM OF SATANIC DUPLICATION

[Church Age](#): The occult and many governments of the world prepared chemical and biological warfare agents. Conditions are being created to forcibly inoculate populations with deadly vaccines.

[Tribulation](#): Biochemical and biological agents (pestilence) will be used to bring in the New World Order. Germ warfare will be used to terrorize, vaccinate and exterminate whole populations.

PROPHETIC DISPENSATIONS

PROGRAM OF GOD

OLD TESTAMENT PERIOD

- **King Solomon was concerned that God would judge the sins of Israel with pestilence.**

If there be in the land famine, if there be pestilence, blasting, mildew, locust, or if there be caterpillar; if their enemy besiege them in the land of their cities; whatsoever plague, whatsoever sickness there be; What prayer and supplication soever be made by any man, or by all thy people Israel, which shall know every man the plague of his own heart, and spread forth his hands toward this house: - I Kings 8:37-38

TRIBULATION / FIRST 3.5 YEARS

- **God will torment with locusts those who do not have His seal in their foreheads.**

And the FIFTH ANGEL SOUNDED, and I saw a star fall from heaven unto the earth, and he opened the bottomless pit; and there arose a smoke out of the pit. And there came out of the smoke locusts upon the earth: and unto them was given power, as scorpions of the earth have power. And it was commanded them that they should not hurt the grass...neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads. And to them it was given that they should be tormented five months - Rev.9:1-5

- **God will empower His two witnesses to judge the world with diseases.**

And I will give *power* unto my two witnesses, and they shall prophesy a thousand two hundred *and* threescore days, clothed in sackcloth... These have power to shut heaven, that it rain not in the days of their prophecy: and have power over waters to turn them to blood, and to smite the earth with all plagues, as often as they will. - Rev. 11:3,6

GREAT TRIBULATION

- **God will torment with grievous sores those who have taken the Mark of the Beast.**

And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and *upon* them which worshipped his image. - Rev. 16:2

PROGRAM OF SATAN

CHURCH AGE

- **Rothschild and Rockefeller have long controlled the production of biochemical weapons.**

"The [Rothschilds](#) have several agents which their money got started and who still serve them well, the Morgans and the Rockefellers." - [77:155](#)

"German bankers on the Farben Aufsichtsrat (the supervisory Board of Directors) in the late 1920s included the Hamburg banker Max Warburg, whose brother Paul Warburg was a founder of the Federal Reserve System in the United States. Not coincidentally, Paul Warburg was also on the board of American I.G., Farben's wholly owned U.S. subsidiary." - [674:33](#)

"...there were some businessmen--most connected with [secret societies](#)--who could not resist the temptation to profit from the world's misery. A good example was Walter C. Teagle, chairman of Standard Oil of New Jersey, owned by Rockefeller's Chase Bank. Teagle was also a director of American I.G. Chemical Corp., a subsidiary of the giant I.G. Farben conglomerate...

"I.G. Farben and Rockefeller's Standard Oil had become so intertwined that in 1942 Thurman Arnold, head of the U.S. Justice Department's Anti-Trust Division, produced documents for Senator Harry S. Truman's defense committee showing that 'Standard and Farben in Germany had literally carved up the world markets, with oil and chemical monopolies established all over the map.'

"The president of I.G. Farben in Germany, Hermann Schmitz, served on the boards of the Deutsche Bank and the Bank for International Settlements. In 1929 Schmitz was voted president of the board of National City Bank, now Citibank.

"Paul Manning, a CBS new correspondent in Europe during World War II, wrote that Schmitz once 'held as much stock in Standard Oil of New Jersey as did the Rockefellers.'" - [482:178-79.66](#)

- **The United States also creates and tests biological warfare agents.**

"In 1977, a secret federal virus program produced 15,000 gallons of AIDS. The record reveals the United States was represented by Dr. Robert Gallo and the USSR was represented by Dr. Novakhatskiy of the diabolical Ivanosky Institute. On August 21, 1999, the world first saw the flowchart of the plot to thin the Black Population.

"The 1971 AIDS flowchart coordinates over 20,000 scientific papers and fifteen years of progress reports of a secret federal virus development program. The epidemiology of AIDS is an identical match to the 'research logic' identified in the five section foldout. The flowchart is page 61 of Progress Report #8 (1971) of the Special Virus program of the United States of America. We today, challenge world scientists to discussion of this document find... In addition, we have now examined the 1978 report. It is heresy to continue to further argue the program ended in 1977. The 1978 report of the development of AIDS leaves no doubt as to the ('narrow result') candidate virus sought by the United States. The flowchart conclusively proves a secret federal plot to develop a 'contagious cancer' that 'selectively kills'." - [478](#)

"Fifty-one years ago, Edward J. Nevin...was dead, the victim of what doctors said was an infection of the bacterium *Serratia marcescens*. Decades later, Mr. Nevin's family learned what they believe was the cause of the infection, linked at the time to the hospitalizations of 10 other patients. In Senate subcommittee hearings in 1977, the [U.S. Army](#) revealed that weeks before Mr. Nevin sickened and died, the Army had staged a mock biological attack on San Francisco, secretly spraying the city with *Serratia* and other agents thought to be harmless.

"The goal: to see what might happen in a real germ-warfare attack. The experiment, which involved blasting a bacterial fog over the entire 49-square-mile city from a Navy vessel offshore, was recorded with clinical nonchalance: 'It was noted that a successful BW [biological warfare] attack on this area can be launched from the sea, and that effective dosages can be produced over relatively large areas,' the Army wrote in its 1951 classified report on the experiment." - [228](#)

"Over the past several years the United States has embarked on a program of secret research on biological [weapons](#) that, some officials say, tests the limits of the global treaty banning such weapons. The 1972 treaty forbids nations from developing or acquiring weapons that spread disease, but it allows work on vaccines and other protective measures... The projects, which have not been previously disclosed, were begun under president Bill Clinton and have been embraced by the Bush Administration, which intends to expand them.

"Earlier this year, Administration officials said, the Pentagon drew up plans to engineer genetically a potentially more potent variant of the bacterium that causes anthrax, a deadly disease ideal for germ warfare.

" Two other projects completed during the Clinton administration focused on the mechanics of making germ weapons. In a program codenamed Clear Vision, the [CIA](#) built and tested a model of a Soviet-designed germ bomb that agency officials feared was being sold on the international market... At about the same time, Pentagon experts assembled a germ factory in the Nevada desert from commercially available materials. Pentagon officials said the project demonstrated the ease with which a terrorist or rogue nation could build a plant that could produce kilograms of deadly germs. " - [128](#)

- **Immunization programs have been used for eugenics purposes.**

"Not only had poor sanitation and nutrition lain the foundation for disease, it was also **compulsory smallpox** vaccination campaigns in the late 19th and early 20th centuries that played a major role in

decimating the populations of Japan (48,000 deaths), England & Wales (44,840 deaths, after 97 percent of the population had been vaccinated), Scotland, Ireland, Sweden, Switzerland, Holland, Italy, India (3 million -- all vaccinated), Australia, Germany (124,000 deaths), Prussia (69,000 deaths -- all re-vaccinated), and the Philippines. The epidemics ended in cities where smallpox vaccinations were either discontinued or never begun, and also after sanitary reforms were instituted (most notably in Munich -- 1880, Leicester -- 1878, Barcelona -- 1804, Alicante -- 1827, India -- 1906, etc.).

"In many nations, mortalities from smallpox hadn't begun to decline until the citizenry revolted against compulsory smallpox vaccination laws. For example, the town of Leicester from 1878 to 1898 stood in stark contrast to the rest of England, where thousands were dying from the aggressive half-century-old government mandatory immunization campaigns." - [157](#)

- **Biological agents manufactured in the United States were supplied to Saddam Hussein in the 1980s for further development. The 1991 Gulf War was a dry run for future biochemical operations.**

"On 2/10/94, the Houston Chronicle carried an article entitled: 'U.S. Shipments to Iraq Feared As Cause of Veterans' Ailments' which said: During the 1980's, the U.S. government approved shipments of biological agents to Iraq that could be the cause of debilitating illnesses plaguing Persian Gulf War veterans. Sen. Donald W. Riegle, Jr. (D-MI) said Wednesday.

"The viruses and bacteria, commonly used to develop biological weapons, were shipped directly to Iraqi government agencies by American Type Culture Collection, a non-profit group in Rockville, MD, that collects and distributes biological specimens worldwide. Virtually all the shipments, Riegle said, were approved by the Reagan administration's Commerce Dept. between 1985 and 1989 despite long-standing suspicions that Iraq had been involved in biological warfare.

"On 2/4/91, The New Republic carried an article entitled, 'Deadly Contagion: How we helped Iraq Get Germ Weapons.' After going into some detail about Iraq's germ warfare production, the article said, 'Against this backdrop, in late 1988 Senator John McCain's office got wind of the activities of a non-profit company in Rockville, MD - the American Type Culture Collection. The firm has the nation's leading collection of cultured diseases, and acts as a library of microbes for institutions all over the world. With a staff of 217, it curates and manages 1,000 different strains useful in public health programs. The ATCC sells approximately 130,000 cultures and ships orders to 50 nations, according to director Robert Stevenson. Iraq has been a customer for 20 years...

"Readers should understand that once Iraq or any country obtains these deadly cultures, they can grow and eventually mass produce their own from these 'starters'...

"According to Dr. Garth Nicolson, Iraq's top cell microbiologist scientists, working at the University of Bagdad on Saddam's germ warfare program (working with mycoplasmas) were trained in the U.S. - some by the Dept. of Defense. No wonder the Dept. of Defense wants to deny any knowledge of Iraq's biological warfare program. We helped them develop it! The New Republic went on: There exists a certain sloppiness in sending known bio-warfare agents to a warring nation with a reputation for supporting terrorism...

"Both the Bush and Clinton administrations Justice Departments agreed not to prosecute these big name American corporations for trading with the enemy. The building up of Iraq's weapons, paid for by U.S. taxpayers, was conducted for years before the Persian Gulf War and after it started. Such trading with the enemy is tantamount to treason.

"There is a sad irony about this case. Twenty-eight soldiers killed by SCUD missiles in the Iraq war came from the same neighborhood - Greenburg Latrobe - where the weapons were manufactured. SCUD launchers were put together in Connecticut, while other weapons came from the Pittsburgh area. There were a number of corporations in the Pittsburgh area that were making weapons for Saddam Hussein.

"These corporations were, according to Gator's investigations, tied to the [Brown Brothers Harriman Bank](#), which was being managed by President Bush's father, the late Senator Prescott Bush. It had been the same way in World Wars I and II, when the U.S. corporations supplied the Germans, the United States' enemy, with guns and supplies, according to proof obtained by former Hoover Institute researcher and author Antony Sutton.

"How was this cover-up of the manufacture of weapons for Iraq arranged in the U.S.? Bush arranged for 70% of the policy makers in the Justice Dept. to remain in their jobs when the transition from Bush to

Clinton took place. They took a lower pay scale, but stayed in control. These holdovers are running the Justice Dept. today. Clinton has been told about this, but somehow he does not seem to act on the information Atty. Gen. Reno said, when told about this, that she did not have the money to fire all these people." - [766](#)

- **Grievous sores were a symptom of the Gulf War Syndrome.**

"After the 1991 U.S. war against Iraq, tens of thousands of GIs and reservists who had been sent to the Persian Gulf began experiencing debilitating and sometimes life-threatening medical problems. The symptoms include immune system failure, respiratory problems, severe joint and muscle pain, headaches, nausea, diarrhea, dizziness, fatigue, loss of memory, sores, intestinal and heart problems. Some Gulf vets have developed cancers...

"Navy Reserve Captain Julia Dyckman, a 27-year veteran of the military, was a supervisor in a 500-bed field hospital in Saudi Arabia during the war. She believes that she was exposed to chemical or biological warfare agents...

"Dyckman said that the field hospital treated many people, but none for chemical illnesses. 'If somebody came in with like what I had--**open sores**, which I think was from a blister agent--we were told that there were no chemicals, so we didn't treat them for that.' Dyckman was told that the blisters and open sores were from 'desert sand'." - [765](#)

TRIBULATION / FIRST 3.5 YEARS

- **Immunization programs will be used again for eugenics purposes.**

"WASHINGTON - States would be able to force patients to take medication under model legislation outlining when and how governors can use emergency powers to address public health crises such as recent anthrax attacks. The model law, commissioned by the US Centers for Disease Control and Prevention, also would give people the right to appeal states' decisions to quarantine or isolate them. Individuals with contagious diseases, such as smallpox, wouldn't be able to appeal orders for treatment or vaccination under the law...

"Patients could be forced to take medicines or receive vaccines for contagious diseases that pose a public health threat, such as smallpox, under the model law. Patients wouldn't be allowed to appeal a state's decision, though the state would likely quarantine anyone who refused to comply, triggering an appeals process, Gostin said.

"States would avoid civil liberties violations if they enact laws that spell out penalties such as the loss of public benefits, instead of incarceration, for patients who refuse treatment, said R. Alta Charo, a professor at the University of Wisconsin Law School." - [219](#)

- **Manmade pestilences will be employed to bring about the New World Order.**

...and there shall be famines, and pestilences and earthquakes in diverse places,.. - Matt.24:7 (Lk.21:11)

"Gorbachev had said in Moscow that the threat of environmental crisis will be the 'international disaster key,' that will unlock the New World Order." - [81:2](#)

"Thomas Robert Malthus was a parson of the English State Church and an economist who lived from 1766-1834. He is best known for his writing *An Essay On The Principle Of Population*, published in 1798. His main idea is that populations increase more rapidly than food supplies. So, he claimed, there would always be more people in the world than can be fed, and wars and **disease** will be necessary to kill off the extra population.

"Malthus did not claim to be the originator of this idea, although it has come to be known as the 'Malthusian Theory'. Malthus based his argument on the works of Condorcet, David Hume, Adam Smith, Defoe, Sir James Steuart, Townsend, Franklin, and others.

"Malthus' *Essay* suggested to Charles Darwin the relationship between progress and the survival of the fittest. This was the basic idea in Darwin's theory of evolution." - [504:Part I](#)

- **Stadiums will be used to dispose of diseased bodies.**

"Diseased bodies will be taken to stadiums to burn them." - [82](#)

PROPHETIC DISPENSATIONS

PROGRAM OF GOD

PRE-FLOOD ERA

- **God provided for Adam and Eve to have immortality.**

And out of the ground made the LORD God to grow every tree that is pleasant to the sight, and good for food; the tree of life also in the midst of the garden, and the tree of knowledge of good and evil... - Gen. 2:9

CHURCH AGE

- **God has provided eternal life through faith in Jesus Christ.**

Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life. - John 5:24
I am that bread of life. Your fathers did eat manna in the wilderness, and are dead. This is the bread which cometh down from heaven, that a man may eat thereof, and not die. I am the living bread which came down from heaven: if any man eat of this bread, he shall live for ever: and the bread that I will give is my flesh, which I will give for the life of the world. The Jews therefore strove among themselves, saying, How can this man give us *his* flesh to eat? Then Jesus said unto them, Verily, verily, I say unto you, Except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you. Whoso eateth my flesh, and drinketh my blood, hath eternal life; and I will raise him up at the last day. For my flesh is meat indeed, and my blood is drink indeed. He that eateth my flesh, and drinketh my blood, dwelleth in me, and I in him. As the living Father hath sent me, and I live by the Father: so he that eateth me, even he shall live by me. This is that bread which came down from heaven: not as your fathers did eat manna, and are dead: he that eateth of this bread shall live for ever. - John 6:48-58

MILLENNIUM

- **Plant life will provide effective remedies for healing; all mankind will have longevity.**

And by the river upon the bank thereof, on this side and on that side, shall grow all trees for meat, whose leaf shall not fade, neither shall the fruit thereof be consumed: it shall bring forth new fruit according to his months, because their waters they issued out of the sanctuary: and the fruit thereof shall be for meat, and the leaf thereof for medicine. - Ezek. 47:12

Then the eyes of the blind shall be opened, and the ears of the deaf shall be unstopped. Then shall the lame man leap as an hart, and the tongue of the dumb sing... - Is.35:5-6

There shall be no more thence an infant of days nor an old man who hath not filled his days or that child shall die an hundred years old... - Is. 65:20

NEW HEAVENS & NEW EARTH

- **There will no more disease or death.**

And there shall be no more death...neither shall there be any more pain: the former things are passed away. - Rev. 21:4

In the midst of the street of [New Jerusalem] and on either side of the river, was there the tree of life, which bear twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations. - Rev. 22:2

PROGRAM OF SATAN

PRE-FLOOD ERA

- **Satan deprived Adam and Eve of immortality.**

And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever: Therefore the LORD God sent him forth from the garden of Eden, to till the ground from whence he was taken. So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life. - Gen. 3:22-24

- **Alchemy is the process of transmutation from mortality, represented by the color black, to immortality, represented by 'gold'.**

"Just as nature, or a gardener, has to turn the earth into a rich dark compost in order that any seed planted therein will grow into a strong and healthy plant, so it is that the natural soul of man needs to prepare the soil of his own nature until it too becomes a rich compost in which the seed of his spiritual self may become well bedded, and from which it may grow strongly and healthily through the stages of initiation to reach its ultimate perfection. This rich compost is known as the *Prima Materia* or 'First Matter' - the starting point of all initiation. The Egyptian word for it was Kemit ('the black earth'), and this is one of the names they gave to their country. The Greeks knew this name as *Khemia*, from which we derive our word 'chemistry' and, more particularly, 'alchemy' - the chemistry of the 'all' or whole being. The [Hermetic science](#) is founded upon this Kemit. Alchemy is the process of initiation that leads the natural soul from the state of Kemit to a condition in which it is transmuted into the 'golden' state of the spiritual soul." - [889:36](#)

- **Gold was ingested by the demi-gods of Atlantis for alchemical enlightenment.**

"...the alchemical and [scientific](#) process...facilitates the genesis of the [Grail Kings](#). This line of succession from Cain, through Egypt to King David and onward to Jesus, was purpose-bred to be the earthly Purveyors of the Light. They were the true Sons of the Gods, who were fed firstly on Anunnaki Star Fire from about 3800 BC and, subsequently, on 'high-spin' metal supplements from about 2000 BC. In short, they were bred to be leaders of humankind, and they were both mentally and physically maintained in the 'highward' state: the ultimate dimension of the missing 44 per cent -- the dimension of the Orbit of Light, or the Plane of Sharon." - [742](#)

- **The demonic beings who ruled the pre-Flood 'Golden Age' are identified as the 'golden race'.**

"There was first a golden race of mortal men who lived in the time of [Cronos](#) when he was reigning in heaven. They lived like gods without sorrow or toil, and they did not know Old Age. And although they died, it was as if they were overcome with sleep. It is said that the earth—unforced—bare them fruit abundantly and yielded—without compulsion—all needful things. For spring was everlasting, streams of milk and nectar flowed, and honey was distilled from the oak." - [656](#)

"Plato says, speaking of the traditions of the Greeks ('Dialogues, Laws,' c.IV. p. 713):

"'There is a tradition of the happy life of mankind in the days when all things were spontaneous and abundant... In like manner God in his love of mankind placed over us the demons who are a superior race, and they, with great care and pleasure to themselves and to us, taking care of us and giving us place and reverence and order and justice never failing, made the tribes of men happy and peaceful ...for Cronos knew that no human nature, invested with supreme power, is able to order human affairs and not overflow with insolence and wrong.'

" In other words, this tradition refers to an ancient time when the forefathers of the Greeks were governed by Chronos, of the Cronian Sea (the Atlantic), king of [Atlantis](#), through civilized Atlantean governors, who by their wisdom preserved peace and created a [golden age](#) for all the populations under their control--they were the demons, that is, 'the knowing ones,' the civilized. Plato puts into the mouth of Socrates these words ('Dialogues, Cratylus,' p. 397): 'My notion would be that the sun, moon and stars, earth, and heaven, which are still the gods of many barbarians, were the only gods known to the aboriginal Hellenes... What shall follow the gods? Must not demons and heroes and men come next?... Consider the real meaning of the word 'demons'. You know Hesiod uses the word. He speaks of '**a golden race of men**' who came first. He says of them,

But now that fate has *closed over this race*,
They are holy demons upon earth,
Beneficent averters of ills, guardians of mortal men.'" - [635:289-90](#)

OLD TESTAMENT

- **The ingestion of gold was a curse.**

And [Moses] took the calf which they had made, and burnt it in the fire, and ground it to powder, and strawed it upon the water, and made the children of Israel drink of it. - Exodus 32:20

- **Ingestion of white powdered gold is associated with sun worship.**

"In alchemy the sun is associated with glittering gold ('the earth's sun, the king of metals')..." - [100:330](#)
"The Rabbis, who know the Cabala, have considered the secret of white powdered gold the greatest secret of all time." - [49:321](#)

- **King Solomon was frustrated about the fact of death.**

The wise man's eyes are in his head; but the fool walketh in darkness: and I myself perceived also that one event happeneth to them all... All go unto one place; all are of the dust, and all turn to dust again... Yea, I hated all my labour which I had taken under the sun: because I should leave it unto the man that shall be after me... Yea, though he live a thousand years twice told, yet hath he seen no good: do not all go to one place?... There is no man that hath power over the spirit to retain the spirit; neither hath he power in the day of death: and there is no discharge in that war; neither shall wickedness deliver those that are given to it. - Eccl. 2:14, 3:20, 2:18, 6:6, 8:8

- **The throne of King Solomon was established forever.**

Also the LORD telleth thee that he will make thee an house. And when thy days be fulfilled, and thou shalt sleep with thy fathers, I will set up thy seed after thee, which shall proceed out of thy bowels, and I will establish his kingdom. He shall build an house for my name, and I will stablish the throne of his kingdom for ever. - II Sam. 7:13

CHURCH AGE

- **Satan and the occult societies control medical research.**

"It is not often mentioned that [Pan](#) was also recognized in antiquity as a God of healing." - [313:9-10](#)

"The Rosicrucians' political aims included...the discovery of a universal medicine or elixir of life which would cure all illnesses and diseases. - [25:49](#)

- **In keeping with their program to create a perfect race, the secret societies exclude the handicapped from their membership.**

"Masons are also told to exclude the unintelligent and the handicapped from their lodges: 'You agree to be cautious to admit none but good men into your lodge...and who is not a good character, intelligent and respectable. The candidate for initiation must be a man, free born, un mutilated and of mature age... These landmarks can never be changed.'" - [254:69](#)

- **Governments seek to subdue and control the masses through drugs.**

"In one of the Royal Institute of International Affairs top secret papers, the scenario is laid out as follows (in part): '...having been failed by Christianity, and with unemployment on every hand, those who have been without jobs for five years or more will turn away from the church and seek solace in drugs. That is when full control of the drug trade must be completed in order that the governments of all countries who are under our jurisdiction will have a MONOPOLY which we will control through supply.... Drug bars will take care of the unruly and the discontent, would be revolutionaries will be turned into harmless addicts with no will of their own....' There is ample evidence that the CIA and British intelligence, specially M16, have already spent at least a decade working toward this goal. (John Coleman's [Committee of 300](#))" - [717](#)

"...the present breadth of drug use [1967] may be almost trivial when we compare it to the possible numbers of chemical substances that will be available for the control of selective aspects of man's life in the year 2000.... 'The American culture ... [is] moving toward a 'sensate society.'... A greater emphasis is being placed on sensory experience and less upon rational or work-oriented philosophies. Such a philosophical view, coupled with the means to separate sexual behavior from reproduction or disease, will undoubtedly enhance [sexual freedom](#).... 'It seems...obvious that the youth of today are no longer afraid of either drugs or sex. Again, the philosophers and spokesmen for the avant-garde advocate the personal sensory experience as the {raison d'etre} of the coming generation. Finally, we are moving into an age in which meaningful work will be possible only for a minority: In such an age, chemical aphrodisiacs may be accepted as a commonplace means to occupy one's time. It will be interesting to see if the public morality of the next 30 years will change as much as it has in the last 30. 'If we accept the position that human mood, motivation, and emotion are reflections of a neurochemical state of the [brain](#), then drugs can provide a simple, rapid, expedient means to produce any desired neurochemical state that we wish. 'The sooner that we cease to confuse scientific and moral statements about drug use, the sooner we can rationally consider the types of neurochemical states that we wish to be able to provide for people.' This is the historical thinking of the British strategists who want to destroy the U.S. presidency and the American republic. And this is the criminal apparatus with which they have equipped themselves to do it." - [315](#)

"In 1988, Democratic Congressman Glenn English concluded that Bush's 'war on drugs' had been fought with 'little more than lip service and press releases.' English wrote: "There has been very little substance behind the rhetoric, and some of the major interdiction problems have yet to be resolved. The President [Reagan] assigned...[George] Bush to coordinate and direct federal anti-drug-abuse programs among the various law enforcement agencies. However, eight years later it is apparent that the task has not been accomplished.' [fn 1] No observer still stationed in reality could dispute this very pessimistic assessment.

"But the whole truth is much uglier. We have documented in detail how the Iran-*contra* drug-running and gun-running operations run out of Bush's own office played their role in increasing the heroin, crack, cocaine, and marijuana brought into this country. We have reviewed Bush's relations with his close supporters in the Wall Street LBO [leveraged buyout] gang, much of whose liquidity is derived from narcotics payments which the [banking system](#) is eager to recycle and launder. We recall Bush's 1990 meeting with Syrian President Hafez Assad, who is personally one of the most prolific drug pushers on the planet, and whom Bush embraced as an ally during the Gulf crisis." - [718](#) (Chapter XX, *The Phony War on Drugs*)

- **People are given poisonous medications, some containing elemental metals, for eugenics purposes.**

"Modern [eugenics](#) incorporates racial profiling, deliberately exposing people to massive amounts of pollutants and experimental vaccines, government agencies distributing drugs in order to create addiction and feed the prison system, denying equal educational opportunities and then claiming the resultant lack of achievement among targeted groups 'proves' their lower intelligence, the massive over-prescription of pharmaceutical drugs and antidepressants, deliberately infecting people with diseases and any other governmental or corporate policies intended to [reduce the fertility](#), lifespan or chances of success of specific groups of people." - [452](#)

Paracelsus, Philippus Aureolus..., 1493?-1541, Swiss physician and **alchemist**...advocated the use of specific remedies for specific diseases, introducing many [chemicals](#) (e.g., laudanum, **mercury**, sulfur, **iron**, and arsenic) into medicines... He wrote numerous medical and occult works containing a curious mixture of sound observation and mystical jargon."- [124](#)

- **Occultists developed the Hermetic science of alchemy which, exoterically, is the transmutation of base metals into gold and, esoterically, the transformation of man from matter into spirit.**

"No doubt that there is such a thing in nature as transmutation of the baser metals into the nobler, or gold. But this is only one aspect of alchemy, the terrestrial or purely material, for we sense logically the same process taking place in the bowels of the earth. Yet, besides and beyond this interpretation, there is in alchemy a [symbolical](#) meaning, purely psychic and spiritual. While the Kabbalist-Alchemist seeks for the realization of the former, the Occultist-Alchemist, spurning the gold of the mines, give all his attention and directs his efforts only towards the transmutation of the baser *quaternary* into the divine upper trinity of man, which when finally blended are one." - [316:15](#)

"The most important motifs from the world of alchemy include the [Androgyne](#), the [Caduceus](#), Coral, the Dove, [Dragon](#), the [Eagle](#), [Gold](#), the [Hexagram](#), Lead, the [Lion](#), the [Moon](#), the Peacock, the Pelican, the [Pentacle](#), the [Phoenix](#), [Quintessence](#), [Saturn](#), [Silver](#), [Sulphur and Mercury](#), [Sun](#), Toads, and the [Unicorn](#)." - [100:7](#)

- **Alchemists believe that gold and silver have healing properties that, when ingested, bestow long life.**

"Metallic gold is used by the alchemists to prepare a liquid that they affirm will restore youth when drunk."- Agricola, De natura fossillium, 1546." - [649](#)

"In alchemy, silver is one of the noble metals and represents the restorative, healing power of the [Moon](#). Silver is said to help both the physical body and the spiritual (astral) body. Indeed, silver solutions have been used for centuries to treat an amazing variety of bodily problems, nervous disorders, bacterial and viral infections, burns and skin ailments, and many degenerative diseases.

"Silver has been used in healing since 4000 BC. Many ancient cultures have incorporated the use of silver in their healing practices. The Persians kept their 'healing waters' in silver vessels to leach silver atoms into solution. Egyptians used a form of a silver wrap for wounds. [Druids](#) lined their drinking bottles with silver metal for a disinfectant. Medieval royalty held a substantially higher immunity to bacteria than a commoner due to the fact that they dined with silver ware, ate off silver plates and drank from silver chalices. Even soldiers were known to swallow a whole silver dollar to ward off infection from wounds. Before refrigerators were invented a silver coin was kept in milk to keep it from going sour. As you can see, the uses for silver is not a recent discovery.

"Colloidal silver has been documented since 1887 as an effective antibiotic against anthrax spores, and silver solutions were regularly in the early 20th century to knock out bacterial, viral, and fungal infections like pinkeye, ringworm, bronchitis, bladder infections, hepatitis, yeast infections, allergies, rosacea, sinusitis, and many more common ailments. In fact, colloidal silver is able to fight over 650 diseases without any known side effects or drug interactions." - [828](#)

- **Hermetic alchemists are currently creating white powder of gold to confer immortality on mankind.**

"About 1990, my uncle showed me a Time-Life book on Secrets of the Alchemists. I put it off because I thought there was nothing in alchemy that could be of use to me. He kept after me and showed me a section where it talks about a white powder made from gold. The goal of the alchemists was to make a white powder of gold, that would serve as the container of the light of life.

"If you stand in its presence, you don't age, if you partake of it, you live forever..."

"All of it goes back to a man the Hebrews called Enoch, the Egyptians called Thoth, in Greece, they call him [Hermes Trismegestus](#), all the same man. It is claimed he ascended by partaking of the white drops, the man who never died, he ascended because he was so perfect. We have found, and this in the standard [Bristol/Myers Squibb](#) literature, that over the last four or five years, there is tremendous research going on with precious elements and cancer treatment. The precious elements have been found to interact with the cell by a vibrational frequency or by a light transfer to correct the DNA. Any incorrect part of the [DNA](#) is corrected by the precious element. It perfects the cells of our body." - [657](#)

- **The demonic manifestation of gold dust is one of the signs and lying wonders found in the Charismatic Movement.**

"The Revival of Joy...*The Toronto Blessing*...was followed by *The Pensacola Revival* which brought revival into the lives of the Assembly of God young people. That was followed by the manifestation of Gold Dust which was seen by many of us in the End-Time Handmaidens and Servants Convention when Rev. Robert Shattles preached to us. But God took both him and Ruth Heflin (who also had the manifestation of the Gold Dust) Home to Glory. The last I heard, Sylvania Machado, from Brazil still has this manifestation when she preaches. This last manifestation was one that never was very wide-spread. It was not a revival, rather it was a [sign and wonder](#)." - [648:21-2](#)

- **Alchemy and miraculous manifestations of gold dust are also found in Roman Catholicism.**

In his book, *Voices, Visions and Apparitions*, Michael Freze states, 'On June 24th, 1987 one lady stated that her rosary had turned to gold while she was visiting Medjugorje (a major Marian site of visitation). This same woman claims that over forty people, whom she ministered to, had their rosaries turned to gold. This phenomenon is not at all remarkable... thousands have come back from Medjugorje testifying that their rosaries turned to gold immediately during a prayer service in the presence of hundreds of witnesses.'

However, this does not happen only at Medjugorje, but also at Conyers, Georgia in the United States. Gold dust has been promised by 'Jesus and Mary' to the Mary worshippers who gather there. From the messages of April 23, 1993, devotee Nancy Fowler tells us, 'A beautiful crown appeared over the blessed Mother's head'... Nancy goes on to say, 'She was beautiful. More suffering will befall all of mankind if you continue to violate the law of God.' The blessed Mother told Nancy that rosaries will turn to a golden color and that there would be sprinklings of gold dust." - [824](#)

- **The Hermetic science of alchemy is being mainstreamed through the merger of religion and science.**

"Nostradamus...prophesied that by 1999, the occult gold will be known to [science](#). The old enemy of religion and [philosophy](#) is science. But in fact, science will serve up the confirmation and science will be the one to bring this to the world." - [657](#)

- **The ingestion of gold leads to death, rather than life.**

And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for **in the day that thou eatest thereof thou shalt surely die.** - Gen 2:16-17

"They are claiming that people are being healed of cancers by placing the gold dust on them. People are eating the stuff right off the floor. One local evangelist rented a limo and took a bunch of pastors to the gold mine...

"I guess you know that Ruth Heflin died on Sept. 23, 2000. Died of CANCER. The Lord told me that there was CANCER in the gold dust.

"When this thing first started, I have it on tape that there is CANCER in this deception. We had several ministers here that went and had heart attacks immediately...

"MARCH 2001 issue of CHARISMA magazine reported that Bob Shattles has liver CANCER.

"July 18, 2001 - I got an email that said Bob Shattles died this day." - [747](#)

Because with lies ye have...strengthened the hands of the wicked, that he should not return from his wicked way, by **promising him life**: - Ezek.13:22

TRIBULATION / FIRST 3.5 YEARS

- **Gold dust and the ingestion of gold will be used for enlightenment, i.e., to become like the gods (demons) of Atlantis.**

But he shall have power over the treasures of gold and of silver, the precious things of Egypt... Dan.11:43

"Gold has long been called the metal of wisdom by the Illuminati...[who] are well aware of the alchemical quest to create the correct type of gold which will bring [enlightenment](#) to the world... David Hudson...of the deGuise lineage...patented white [powdered] gold [which he] named...[Ormus](#) [or Ormes], which is the occult name for the [Prieuré de Sion](#)... David Hudson has given mankind the most important secret that has captivated the best minds of the occult world for centuries, the Quest for the Philosopher's Stone." [49:321](#)

"Gold is the most noble of metals and was always representative of [Truth](#). Through the regular use of Anunnaki Star Fire (the Gold of the Gods) the recipients had been moved into realms of heightened awareness and consciousness because of its inherent melatonin and serotonin.

This was the realm of advanced enlightenment which was called the Plane of Sharon and the Star Fire gold was deemed to be the ultimate route to the Light. Hence, the heavy, mundane person (lead) could be [elevated](#) to a heightened state of awareness (perceived as gold), and this was the root of all alchemical lore thereafter." - [741](#)

"...the Three Kindred [are]: The Ancestors, spirits of the ancient dead; The Earth Spirits who share this world with us; and the Gods and Goddesses, or the **Shining Ones**. All of the Kindreds are manifestations of the Holy." - [655](#)

And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts. - Rev. 9:20-21

GREAT TRIBULATION / GOLDEN AGE

- **Gold will be ingested for enlightenment and immortality, but will lead to death.**

Go to now, ye rich men, weep and howl for your miseries that shall come upon you... **Your gold and silver** is cankered; and the rust of them shall be a witness against you, and **shall eat your flesh as it were fire**. Ye have heaped treasure together for the last days. James 5:1-3

- **Putting a Judeo-Christian spin on this Gnostic quest for enlightenment and immortality, the white powdered gold wafer will be passed off as 'Manna' and Communion.**

Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils. - I Cor. 10:22

"The [priesthood](#) of Jesus was that of Melchizedek...who is portrayed in the north doorway of Chartres Cathedral. Here, at the Door of the [Initiates](#), Melchizedek is the host of Abraham in accordance with Genesis 14:18-20 and he bears a **cup which holds the hidden manna** (spiritual nourishment/ daily bread) of the sacred stone." - [29:246](#)

"At the northern doorway of the Chartres Cathedral in [France](#) (the Gate of the Initiates) is a statue of Melchizedek, priest-king of Salem - a statue designed by the Knights Templars after their initial return from Jerusalem in 1128. In accordance with the Old Testament entry in Genesis 14:18, Melchizedek is portrayed with the bread and wine which he evidently offered to Abraham. But his chalice does not contain the wine; it actually contains the bread. In this respect, it identifies the time (c. 1960 BC) when the fully fledged Star Fire customs of the Annunaki gave way to a new method of supplementally feeding the kingly bloodline.

"The particular bread in question (known as *shewbread* in the old Hebrew tradition and called *shem-an-na* by the Mesopotamians) was made of the white powder of gold (as confirmed in the Exodus story of the goldsmith Bezaleel)." - [722:264](#)

"The archetype of the Grail has always been at the heart of the **Melchizedek Communion**. As many of you know, the Grail Cup is far older than Christianity. It was used during the [Atlantean Era](#) by Enoch. It was used by Melchizedek to Bless Abraham atop Mt. Tabor and thus initiate the Jewish Spiritual Current. The Cup of Manna is one of the key forces within the Ark of the Covenant. Traces of the ancient Atlantean-Enochian Cup can be contacted through the Celtic myths of Ireland and Wales. The Cup which gives everlasting Life is found in many different religions.

"The Arthurian Quest for the Holy Grail is the Quest for Perfect Communion. There is a Grail lineage and there is a **Grail Communion**. The lineage consists of all members of the [Melchizedek Priesthood](#). The Grail Communion literally delivers what the outer churches symbolically offer - Christed Translation of the Physical Body Temple, or [Physical Immortality](#). In alchemy, the Philosopher's Stone is identical to the Grail. The Elixir of Life and the Fountain of Eternal Youth are additional synonyms. The [Christing of all Flesh](#) is an inevitable result produced by Total Communion. This Christing of the Flesh is a Planetary and Individual process - hence the absolute importance as we approach the 21st Century to establish a deep and creative relationship with the Immortal Will of Gaia, the Living Earth." - [690](#)

"...The Bible says that Moses told the Hebrew people that they had not kept the [Covenant](#), so the Manna was to be taken from them, but it will come back in the end times when we would be a nation of high priests, not an elect [high priesthood](#). This is the food, this is the light, that you take in your body.

"In fact, if you ask a Rabbi if he ever heard of the white powder of gold, he says, yes, we know of the white powder of gold, but to our knowledge No one knows how to make it since the destruction of the first Temple, the [Temple of Solomon](#).

"This knowledge was not completely lost, the high priests who left the temple when it was destroyed went out on the desert and organized the community known as Qumrun, they were the [Essenes](#). If you get copies of the [Dead Sea Scrolls](#) Uncovered, which Eiseman and Wise just translated, this in ancient Egypt was known as the GOLDEN TEAR from the EYE OF HORUS.

"It was the white powder of gold mixed in water. It was called that which issues from the mouth of the creator. The spittle. Not the word of God, but the spittle, or the semen of the father in Heaven...

"You have to understand the symbolism, the understanding of; prepare yourself like a bride in the [bridal chamber](#), purify and cleanse yourself, prepare yourself for the coming of the father in Heaven. To be inseminated by this father in Heaven in the bridal chamber, to totally be regenerated, to be purified, to be cleansed.

"Every cell in your body will be taken back to the state it is supposed to be, when you were a teenager or a child. It perfects the [DNA](#), and closes the light within the body until you literally reach a point where the light body exceeds the physical body.

"...But you also have to feed the spirit body, you have to feed the KA, so it can grow and become what its meant to be. And most of you are not feeding your KA... The texts say you must feed the KA with the semen of the father in heaven.

"And the KA grows and grows, becoming ever more [enlightened](#), until you reach a point where the light body exceeds the material body, you literally light up the room when you walk in. The gifts that go with this are perfect telepathy, you can [know good and evil](#) when it is in the room with you, you can [project your thoughts into someone else's mind](#), you can [levitate](#), you can walk on water, because It is flowing so much light in you, you literally don't attract to gravity.

"When you understand that your body can now exclude all magnetic and other fields, including gravity, you are no longer of this space time, you become a fifth dimensional being. You literally can think where you'd like to be and you can go there and disappear from here. These ancient texts specify the appearance of other attributes such as healing with the laying on of hands, they claim you can resurrect the dead within two or three days after they die. Instead of using electrical paddles, you have so much energy in you, you can literally embrace these people and bring energy and life back into them. Sounds pretty far out. Most groups don't receive this very well...

"Christ said to his disciples, don't touch me, I don't have on my earthly garments. They said, when will we see you again. Christ replied, when you have prepared the proper food and when you have on your proper garments.

"What is the proper food? It is the food of the angels, the food of the gods, the **manna**, the what is it? The proper garment, is your garment of glory, your rainbow garment, your Meissner field is what science calls it, and literally its about 1000 times what you have now.

"The amazing thing about superconductors is they don't have to touch for energy to flow from one superconductor to the other. Electricity has to touch for electricity to flow. Superconductors can sit at a distance from each other, and as long as they are resonant to each other, they are [AS ONE](#). They function as one...

"As you read in the Dead Sea Scrolls Uncovered, not only did the Qumrun community have a metallurgical foundry in the center of the city, you also find out that the Teacher of Righteousness, this thing that they were totally preoccupied with, wasn't Moses or Christ.

"It says the high priest SWALLOWED the Teacher of Righteousness which was the [Holy Spirit](#), it is the light, the zero point light that is not measurable. But it is in fact, the light or god force within us. It is the teacher that shows us how to know all things, we don't have to read or study, we just know...

"...There is a book being written on it, it will be out in 8 to 9 months also. It will called ORMUS, it will be in all bookstores, we are not sure it will be published by one of the big houses, most likely, we will publish it ourselves. It will be a biography, it will be the story of my quest for the Holy Grail with all the details." - [657](#)

- **White powered gold will be given as communion in the Grail Mass in the Age of Aquarius (Golden Age).**
 - **In [astrology](#), one of Jupiter's 4 major moons, Ganymede, represents Aquarius the Water-Pourer.**

"The figure is thought to have been named the Water-Pourer [Aquarius] because of the action he represents. The Water-Pourer stands holding a wine jar from which he is pouring a stream of liquid. Some find in this image sufficient proof that the figure represented is Ganymede, and they call Homer to witness, because the poet says that Ganymede, adjudged worthy by the gods, was carried away on account of his beauty to be cupbearer to Zeus... 'Hegesianax, however, says the figure is Deucalion because during his reign, such a quantity of water fell from heaven that a great flood reportedly occurred...

"This constellation is generally associated with water, not only in Greek literature but also in ancient and Babylonian records. The three figure identified with Aquarius by classical authors are the cupbearer, Ganymede, Deucalion, the hero of the Greek flood story; and Cecrops, an early king of Athens. The constellation may have been associated with water because of its appearance during the rainy season. Aquarius was the eleventh [Zodiacal](#) sign in Euphratean records and coincided with the [Winter Solstice](#) at the time

when the vernal equinox was in the constellation of Taurus [approx. 4000-2000 BC]" - [570:29-30](#)

"In the zodiac, Aquarius the Water Bearer...carries a water jar, or perhaps the **sacred cup** so often mentioned in ancient cultures as containing the elixir of life and [transformation](#)." - [632](#)

- **In Greek mythology, Ganymede, was the Cupbearer to Zeus, or the Guardian of the Grail. Ganymede was also a Trojan prince of the Tribe of Dan.**

"Homer says, too, that Ganymede was granted immortality, which was yet unknown to men. The liquid being poured from the jar is said to resemble nectar, the drink of the gods..." - [570:29](#)

"According to the ancient Greek treatise, THE ILIAD, by Homer, the founder of Troy was named Dar-dan-us. The name is strikingly familiar. It contains the name of Dan! It was said that Dardanus was the son of Zeus. Dardanus had a son named Erichthonius, who had a son named Tros, who was the namesake of the ancient Trojans and of their capital city, Troy.

"Tros had three sons, Ilus, Ganymede, and Assaracus. Priam, the reigning king of the Trojans, was of the line of Ilus. Aeneas, founder of the Roman Empire, as a prince of the royal house of Assaracus. Ganymede was the great-grandson of Dardanus, the founder of Troy. According to Homer's ILIAD... Zeus kidnapped the prince, Ganymede. Zeus wanted Ganymede to be a special cup-bearer to the gods (which may be a clue to the origin of the legend of the so-called **Holy Grail**).

"The ILIAD does not relate how Zeus carried off Ganymede, but there is an ancient Roman mosaic showing Ganymede, the Trojan prince, being carried off by Zeus, who had taken the form of an eagle! Here is a possible clue to connect the progenitors of the ancient Trojans with the [tribe of Dan](#), who had adopted the eagle as their insignia." - [127:103](#)

For who hath known the mind of the Lord, that he may instruct him? But we have the mind of Christ. - I Cor. 2:16

All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: - II Tim. 3:16,17

- **Men are not saved by ingesting silver and gold.**

Forasmuch as ye know that ye were not redeemed with corruptible things, *as* silver and gold, from your vain conversation *received* by tradition from your fathers; But with the precious blood of Christ, as of a lamb without blemish and without spot... - I Pet. 1:18-19
